

## 1997 Cabernet Sauvignon / Merlot

### Technical details:

Varietal:	60 % Cabernet Sauvignon, 40 % Merlot
Alcohol:	13.5%
Total acidity:	5.2 g/l
pH:	3.78
Residual sugar:	3.2 g/l

### Tasting notes:

This blend has a rich deep colour. It is a full-bodied wine with masses of juicy red berry flavours. The wine has beautiful soft, round and ripe tannin with an intense lingering aftertaste and is extremely easy drinking already. The grapes were all hand picked at full ripeness and vinified separately to preserve their individual characteristics. Fermentation lasted for 3-4 weeks during which temperatures were controlled and colour extracted from the skins by regular pumping over of the juice.
